5. Yes, I understand that SpaySecure can arbitrate against me for significant financial damages, which I must pay if I fail to sterilize my puppy by my deadline. I may also be subject to substantial late fees and placed in a database of non-compliers if I don't sterilize by my deadline and provide adequate proof. I understand that this will not happen if I spay/neuter the puppy by the deadline and provide proof to SpaySecure and that I can always contact SpaySecure for help.
